Otter Class

Morning	<p>Maths</p> <p>Year 4 - White Rose Home Learning - Summer Term, Week 2, Lesson 1: <u>Round decimals</u> https://whiterosemaths.com/homelearning/year-4/</p> <p>Year 5 - White Rose Home Learning - Summer Term, Week 2, Lesson 1: <u>Adding decimals with the same number of decimal places</u> https://whiterosemaths.com/homelearning/year-5/</p> <p>As requested last week, I have attached some additional Maths work based on year 5 curriculum. Complete it only if you have any spare time left or need an additional challenge.</p> <p>It was brought to my attention (Thank you, Seb!) that there was a mistake in your answer sheet last week on Wednesday. The answer to question 6a (reasoning) should be: They are both wrong.</p> <p>English</p> <p>Read the second part of chapter 7 (Party Manners), pages 163 to 182 of <i>Stig of the Dump</i> and answer the comprehension questions listed below. You can choose one of each type (VIER) or answer them all. Please type your answers directly onto Purple Mash or upload a photo of your answers handwritten in your workbook.</p> <p>V Give an example of a rhetorical question in this chapter.</p> <p>V When the boy, dressed as an Indian, spots two leopards, how does the author make his speech sound nervous?</p> <p>I What does the fact that Barney and Lou are holding hands tell you?</p> <p>I What do you think the circus man thought of Barney's statement at the end of the chapter?</p> <p>E Do you think the Fawkham-Greene house is a good setting for this part of the story? Why?</p> <p>R How does Mrs Fawkham-Greene describe Barney and Lou's outfits?</p> <p>R What idea for a game does Lou come up with?</p> <p>R Who helped to trap the leopard in the stable?</p>
Afternoon	<p>ICDM Section 3 Test 2</p> <p>Computing</p> <p>Click on a movie tape in the top right corner to watch a short introduction to 2Investigate and the following six short clips, explaining how to navigate the program.</p> <p>Then have a go at creating a database on 2D shapes or animals.</p> <p>I look forward to seeing all of them.</p>
